Controlled access electronic documents are supplied as FileOpen encrypted PDF files that are installed on a user's computer when the whole-document or part-document is opened for the first time.

Documents marked "Free" are available electronically without charge. Collections: for electronic Enterprise Editions, all encrypted, protected-access whole- and part-documents in the Collection are installed for use for one year when the first document is opened; for electronic Special Editions, all whole- and part-documents are watermarked for printing and use under licence for one year.
